

*Celebrating the creative DIY spirit
of western Maine people!*

Presented by
Town of Paris

Parks & Recreation

Dear Western Maine Community Member:

Please take a moment to learn how supporting the Moore Park Makers Fair in South Paris can support a strong local economy and great quality of place for our community.

creative enterprise + business = opportunity

Our annual event draws new visitors who also patronize local restaurants, inns, gas stations, camp grounds, gift shops, galleries, motels, convenience stores and much more. This helps build new opportunity and new economic bases for all kinds of local businesses.

Cultural Tourism offers a real wave of economic opportunity for Western Maine! As evidenced by reports from the National Governors Association, State of Maine data sources and initiatives by agencies like the Western Maine Economic Development Council which spearheaded the first multi-county, cultural tourism project in our region's history.

We ask you to join the regional effort to bring new people, new customers, and repeat visitors into the heart of Paris by supporting the Moore Park Art Show. By supporting this show means it you are helping to build a stronger community

Events celebrating creativity + community = quality of life

The Moore Park Art Makers Fair features fun for all ages with dozens of high quality artists, live entertainment and fine local fare - showcasing the talent right here at home. This event also gives new and emerging artists a chance to develop themselves as artists and business people. Above all, this FREE event gives our residents a great way to spend a Sunday with their families.

The enclosed form provides all of your sponsor opportunities. We look forward to partnering with you to help build a strong local economy and a wonderful quality of community.

If you have any questions please contact me anytime. We would love to feature your business as a partner.

Aranka Matolcsy, Director
